Chapter 1

The O'Briens in Ireland

The family of William O'Brien and Mary Sexton came to America from the town of Watergrasshill in County Cork, Ireland.^[1;2;3] The village of Watergrasshill is situated mostly within the civil parish of Ardnageehy and partly within Kilquane, in the larger barony of Barrymore, on the main road between Cork and Dublin.^[4] The name Watergrasshill was originally "Watercress Hill," and in Irish is *Cnocán-na-biolraighe* (Knockaun-na-billery).^[5]

Watergrasshill was a small town of 801 inhabitants in 1841, when William and his family lived there prior to their emigration to the U.S. By 1871 the population had dropped to 143.^[6] Some of this population loss was likely due to the famine, but the arrival of the railroad may also have played a role. The Great Southern and Western Railway reached the City of Cork in 1849.^[17] Two people performing land valuations included their impressions of Watergrasshill and its transformation. D. Quinn wrote in Feb 1849:

This Town is Poor, but a great deal is done in the way of "Carmen's Stages," it being on the Dublin line to Cork and half way (11 miles) from the latter City to Fermoy – a good deal of benefit is done the Town by these persons —^[16]

J. Montgomery wrote in Dec 1852 and sometime prior:

2 coaches & Bianconis¹ can pass through the village daily & change Horses here – one or two individuals are thus making pretty well by this – by the rent for stabling &c – & when the railway to Cork is finished, it will lose a good part of this advantage —

It has lost a great deal of it now – (1852) but it is the best of the little villages in this neighborhood although poor enough – Poor Rates are low – only 1/7th for 1832 & none at all in 1837 – Those made a moderate valⁿ. considering these circumstances.^[16]

¹Charles Bianconi was an Italian entrepreneur who operated passenger coaches between cities throughout Ireland.^[17]

There are few Irish records available covering the early 19th century. Civil registration of births, marriages, and deaths didn't fully occur in Ireland until 1864.^[8] Census records prior to 1901 were mostly lost in a 1922 fire at the Public Records Office.^[9] However, there are O'Briens in Watergrasshill who appear in name directories and Griffith's Valuation records from the time period when William's family lived in the area. It's possible that these sources may reveal some small details about the family's life in Ireland.

F. Jackson's *County and City of Cork Post Office General Directory, 1842–43* includes a "William O'Brien, gent." with a seat at "Transtown mills" and post town at "Watergrass hill."^[10] Land valuation records for Trantstown in 1847 and 1850 show a John O'Brien leasing a paper mill, house, offices (outbuildings), and land from Lady Augusta Henrietta Fitzgerald.^[11;12] A revised valuation in July 1850 indicates that John O'Brien no longer resided there, and that the mill became idle in 1847.^[13] Residents in Trantstown reported that a Mr. O'Brien owned the mill and employed many people there, but he sold his house when the mill closed down.^[14] The timing of John O'Brien's departure from the mill property around 1850 coincides with the arrival of William O'Brien's family in Boston.

There is no William O'Brien who appears in the valuation records as occupying land in Trantstown. It's possible that John O'Brien was William's son, and that he took over the running of the mill from his father. There is a "W^m. Brien" listed in the town of Watergrasshill who was leasing a house with a yard and garden. The Feb 1849 revision has William's name crossed out and the word "Vact." written, indicating that the house was vacant and William had moved away.^[15] There are no other William O'Briens or similar name variants listed in Watergrasshill, although other [O']Briens in town include Denis, Owen, Patrick, and Margaret.[add citation]

Watergrasshill was a poor town in the 1840s that was largely sustained by horse travel between Dublin and Cork. With the loss of that business to the railway, the effects of the famine, and the closure of the paper mill in nearby Trantstown, it made sense for the O'Brien family to look for new opportunities in America.

Chapter 2

Name and Lineage

O'Brien is the Anglicized spelling of the surname *Ua Briain* in Classical Irish, and *Ó Briain* in Modern Irish. The *Ua* or *Ó* part of the name means a "grandson" or generally any descendant of the named person. In this case, O'Brien derives from the first name of Brian Boru (born c. 941 and died 23 Apr 1014), High King of Ireland. Boru's descendants formed one of the major dynasties in Ireland.^[18]

Brian Boru was born a member of the Dál gCais clan (Dalcassians). This clan controlled much of what is now County Clare in Ireland.^[19] Due to modern genetic testing, it is possible to determine whether a living person is a descendant of Brian Boru, a member of his clan, or an unrelated O'Brien who came from a family that adopted the surname. This is facilitated by the Y-DNA testing of Brian Boru's direct descendant, Sir Conor O'Brien, 18th Baron Ichiquin.^[20]

Unlike other chromosomes, the Y chromosome is passed from father to son without significant recombination. This means that a living man's Y-DNA is nearly identical to that of his direct male line ancestor from many generations in the past. While rare, mutations on the Y chromosome do occur. These variations are called single nucleotide polymorphisms, or SNPs. It is possible to map groups of people onto branches of a tree based on the SNPs they have in common. These branches are known as haplogroups, and they're named after the Y-DNA mutation that defines them.^[21]

The Y-DNA testing of Sir Conor O'Brien has revealed that Brian Boru's Dalcassian clan and its descendants are located within the R-L226 haplogroup. Furthermore, Brian Boru's defining mutation places him and his descendants in the sub-group of R-L226 known as FGC5659. There is another group of non-Dalcassian O'Briens known as the "Northwest Irish/Lowland Scots" O'Briens, who are in haplogroup R-M222.^[20]

The author performed a Y-DNA "Big Y" (700 SNP) test through the website *Family Tree DNA* (FTDNA). Being a direct male descendant of William O'Brien from Watergrasshill, County Cork, his results should indicate the

clan and/or geographic origins of William's ancestors. In fact, William's haplogroup reveals that there is no relation to either the Dalcassian or Northwest Irish O'Briens, and does not even have ancient Irish origins. The William O'Brien branch is located within haplogroup R-Y11179. This is the branch containing the Anglo-Norman family with the surname "Barry" that occupied large parts of County Cork subsequent to the English invasion of Ireland in the 1100s.^[25;27]

Several websites provide age estimates to determine when William O'Brien's line may have split off from the Barry family. The closest match to the author's Y-DNA kit on FTDNA is a man with a Barry surname. FTDNA's "TiP Report" estimates that the Barry match and the author have a common ancestor within the past 8 generations at 60.41% likelihood, within 12 generations at 90.11% likelihood, and within 18 generations at 98.28% likelihood.^[28] On the website *YFull*, which allows uploading Y-DNA kits for additional analysis, the author's closest match is the same Barry individual from the previous comparison. *YFull* predicts that the two matches have a most recent common ancestor at a median of 425 years ago with 95% certainty, placing the common ancestor around the year 1600.^[29]

The Anglo-Norman Barry family may have originated as "De Barry," members of which accompanied William the Conqueror in his invasion of England and Wales in 1066.^[22] In 1206, King John of England granted William de Barri a portion of land in Ireland that included what is now the Barony of Barrymore, where Watergrasshill is located.^[23] A member of the Barry family in Ireland was appointed as the first Earl of Barrymore in 1627/28.^[24]

Somewhere in William O'Brien's ancestry, the O'Brien name was assigned to (or adopted by) a man of Barry descent. This is known as a non-paternity event (NPE). It is likely impossible to determine when or how this occurred, as useful records in Ireland rarely go back far enough past the early 1800s. However, the Barry family had a major presence in the area of County Cork where William came from. More information may arise as additional men submit Y-DNA tests and the timeline for the O'Brien/Barry split can be further narrowed. It is also important to note that the Y-DNA results only pertain to the direct male line. William's descendants still have Irish roots, owing to the Irish spouses of his children. William's own mother is unknown, but it's quite likely she had ancestral Irish origins.

[include haplogroup tree showing O'Brien branches vs Barry branches]
 [more background on Barry history in County Cork]

Chapter 3

First Generation

3.1 William O'Brien

1. **WILLIAM¹ O'BRIEN** was born probably in County Cork, Ireland, about 1791.^[30] He died in Boston, Massachusetts, 28 December 1856,^[32] and was buried at North Cambridge Catholic Cemetery, Cambridge, Massachusetts.^[33] He married, likely in County Cork, **MARY SEXTON**.^[35;36;39;40] No further information about Mary is known.

William may be the William O'Brien listed in the 1842 Cork County Directory as owning Trantstown Mills, a paper mill close to the village of Watergrasshill.^[10]

In 1855, William was living in Boston's North End neighborhood with his son Edward, his daughter Abigail, and three of his grandchildren.^[30;66] William does not appear in the 1850 census. Since Edward immigrated to Boston in 1851^[1], it's likely that William arrived with him at that time. William's wife Mary does not appear in any census records from this time. She may have died in Ireland before 1851, or not accompanied her husband to America for reasons unknown.

William only lived in Boston for five years before dying of pleurisy. He was living at 207 North Street in the North End at the time.^[32]

Children of William¹ and Mary (Sexton) O'Brien, all likely born in Watergrasshill:

- i. ANN² (O'BRIEN) DAILEY, b. abt. 1813^[41]; d. 23 Sept. 1898; m. MICHAEL DAILEY.^[39] Unknown if she had any children. She does not appear until the 1880 census, when she was living with her brother Edward. She may have arrived in the U.S. sometime between 1870–1880. No record of husband Michael Dailey being in the U.S.
- 2 ii. ABIGAIL (O'BRIEN) DOOLEY, b. abt. 1815; d. 4 Jan. 1897.
- 3 iii. JOHN O'BRIEN, b. abt. 1820; d. 22 April 1863.
- 4 iv. EDWARD O'BRIEN, b. 10 Oct. 1822; d. 25 Aug. 1881.

- 5 v. MARY (O'BRIEN) WARD, b. abt. 1828; d. 23 March 1908.
- 6 vi. MICHAEL O'BRIEN, b. 15 Dec. 1832; d. 25 June 1891.

Chapter 4

Second Generation

4.1 Abigail (O'Brien) Dooley

2. **ABIGAIL² (O'BRIEN) DOOLEY** (*William¹*) was born probably in Watergrasshill, County Cork, Ireland, about 1815.^[31] She died in Boston, Massachusetts on 4 January 1897^[36] and is buried in Holy Cross Cemetery, Malden, Massachusetts.^[37] She married, likely in County Cork, **MICHAEL DOOLEY**.^[36] He was born probably in County Cork.^[38] Michael died sometime before 1 May 1865,^[42] possibly on 1 January 1857,^[43] and is buried in North Cambridge Catholic Cemetery, Cambridge, Massachusetts.^[34]

Children of Abigail² and Michael Dooley, both likely born in Watergrasshill:

- 7 i. **HANNAH³ (DOOLEY) (COONEY) CUSICK**, b. abt. 1839; d. 1911.
- 8 ii. **MARGARET E. (DOOLEY) (SIMONDS) FERNALD**, b. 27 Dec. 1840, d. 1 March 1918.

4.2 John O'Brien

3. **JOHN² O'BRIEN** (*William¹*) was born probably in Watergrasshill, County Cork, Ireland, about 1820.^[47] He died in Boston, Massachusetts on 22 April 1863^[45] and is buried in Catholic Mt. Auburn Cemetery, Watertown, Massachusetts.^[46] He married **MARY MAHONEY** on 20 November 1853 at St. Mary's Church, Boston.^[47] She was born in Ireland about 1829^[48]–1832^[49] to James^[49] or Patrick^[48] and Mary (____) Mahoney.^[48]

John arrived in the U.S. sometime prior to his marriage to Mary Mahoney in November 1853. He appears in the 1860 federal census in Boston's North End neighborhood, living with wife Mary and four children. Also living with the family was Amelia Rease, age 19, born in Pico W. P.^[63] (this is probably Pico Island in the Portuguese Azores). Other nearby families are listed with servants born in the Portuguese Azores, indicating that Amelia may have been a servant for the O'Brien household.

John was living at 35 Fleet Street in the North End when his son John Joseph was born in 1861. His occupation was listed as “grocer.”^[65;66] John’s brother Edward lived at the same address, and Edward’s son Edward was born just nine weeks after John’s son John Joseph.^[65]

Four of John’s children died of tuberculosis¹ in the ten years between 1879 and 1889, as had John himself in 1863.^[45] This illness disproportionately affected Irish immigrants in Boston:

...[t]he death rate from consumption was greatest among the colored, and among the white ... it was greatest among those whose mothers were born in Ireland or who were themselves natives of Ireland, being more than 3 times the corresponding rate for those whose mothers were born in the United States, and almost double the rate for those who were themselves natives of this country.^[67]

Children of John² and Mary (Mahoney) O’Brien, all born in Boston and all except for John Joseph O’Brien buried at Catholic Mt. Auburn Cemetery, Watertown, Middlesex County, Massachusetts:^[46]

- 9 i. WILLIAM³ O’BRIEN, b. 9 Nov. 1854; d. 28 Oct. 1889 (consumption).
- ii. MARY O’BRIEN, b. 11 Jun. 1856;^[51] bap. St. Stephen (Boston) 13 June 1856;^[52] d. 18 March 1883 (phthisis).^[53]
- iii. JAMES EDWARD O’BRIEN, b. 1 Feb. 1858;^[55] bap. St. Mary (Boston) 3 Feb. 1858;^[56] d. 11 April 1879 (consumption). Occupation frame polisher,^[57] perhaps working at brother John Joseph’s frame shop.
- iv. ELLEN “NELLIE” O’BRIEN, b. 27 Aug. 1859;^[59] bap. St. Stephen 28 Aug. 1859;^[59] d. 1 Oct. 1882 (phthisis).^[60] There does not seem to be a civil birth record for her.
- 10 v. JOHN JOSEPH O’BRIEN, b. 29 Jan. 1861, d. Brookline, Mass. 15 May 1938 (cerebral hemorrhage).
- vi. MARGARET O’BRIEN, b. 18 May 1862;^[83] bap. St. Stephen 19 May 1862;^[83] d. 23 Oct. 1863 (marasmus).^[61]
- vii. ANNA O’BRIEN, b. bet. 19 Aug.–18 Sept. 1863;^[62] d. 28 Feb. 1866 (bronchitis).^[62]

[check census, city directory records] [possible that John’s family suffered more from TB due to where they lived (tenements)? Look at siblings’ families]

4.3 Edward O’Brien

4. EDWARD² O’BRIEN (*William*¹) was born in Watergrasshill, County Cork, Ireland, on 10 October 1822.^[1] He died in Boston, Massachusetts, on 25 August 1881^[93] and is buried at Holy Cross Cemetery, Malden, Middlesex

¹The terms “phthisis” and “consumption” were used at the time to describe what is now called tuberculosis.^[64]

County, Massachusetts.^[37] He married **BRIDGET LINNEHAN**, probably in County Cork, Ireland, sometime before immigrating to the U.S. in June 1851.^[1;68] Bridget was born in Ireland about 1831, the daughter of Andrew Linnehan and Ann (____) Linnehan. She died in Boston, Massachusetts, on 5 April 1867 of pneumonia at the age of 36.^[69]

Edward's profession is listed as "teamster."^[86;90] Prior to the use of motorized vehicles, this term referred to a person paid to transport goods by horse-drawn wagon.^[92]

Edward lived at first in Boston's Roxbury^[76] and North End^[79] neighborhoods. In 1870 he paid \$3,000 for the property at 185 London St. in East Boston.^[86;87] Edward acquired a second East Boston property in 1874, when he purchased 307 Havre St. for \$3,325 at public auction.^[73;74] Both properties were passed onto Edward's heirs upon his death, although the combined value was only \$3,700 at that time.^[71] His heirs still held title to the properties until at least 1922,^[88] when the 185 London St. property was being rented out as apartments.^[89] Edward's niece, **FRANCES ELIZABETH³ (O'BRIEN) WICKENS**, lived there for a time.^[91] Edward's daughters, Annie M. and Margaret, continued to live at the house on 307 Havre Street up until their deaths in the 1930s.^[80;61] The properties were likely important sources of wealth for multiple generations of the O'Brien family.

Living with Edward in 1880 were his adult children Annie, Margaret, and Edward J., his sister Ann² (O'Brien) Dailey, and niece Delia J. Graham, the daughter of Bridget's sister Mary. Edward's household also included Michael Malanny, age 65, and his wife Ann, age 62, although their connection to Edward is not known.^[70] None of Edward's children ever married.

There is a large monument at Holy Cross Cemetery in Malden marking where Edward is buried along with his wife Bridget, sister Ann, three of his children, and several extended family members. The plot is located at North Monument Ave., Path 17, Grave 34 East (see map in the appendix).^[85;37]

Children of Edward² and Bridget (Linnehan) O'Brien, all born in Boston:

- i. **MARY ANN³ O'BRIEN**, b. 13 Oct. 1852;^[76] bap. Holy Cross (Boston) 16 Oct. 1852;^[77] d. 25 Nov. 1852;^[78] bur. North Cambridge Catholic Cemetery, Cambridge, Middlesex County, Mass.^[33]
- ii. **ELLEN O'BRIEN**, b. 27 Nov. 1853;^[58] bap. Holy Cross 3 Dec. 1853;^[59] d. 10 March 1857;^[60] bur. North Cambridge Catholic Cemetery.^[34]
- iii. **ANN MARIA "ANNIE" O'BRIEN**, b. 9 Nov. 1855;^[81] bap. St. Stephen (Boston) 17 Nov. 1855^[82]; d. 24 May 1937;^[80] bur. Holy Cross Cemetery.^[37] She was appointed administratrix of Edward's estate after he died intestate.^[71]
- iv. **MARGARET A. O'BRIEN**, b. 22 Aug. 1859;^[83] bap. 29 Aug. 1859;^[83] d. 6 March 1933;^[61] bur. Holy Cross Cemetery.^[37]
- v. **EDWARD J. O'BRIEN**, b. 7 April 1861;^[79] d. 7 Jan. 1884 (typhoid fever);^[84] bur. Holy Cross Cemetery.^[37]

Chapter 5

List of Persons

1. William¹ O'Brien
2. Abigail² (O'Brien) Dooley
3. John² O'Brien
4. Edward² O'Brien
5. Mary² (O'Brien) Ward
6. Michael² O'Brien
7. Hannah³ (Dooley) (Cooney) Cusick
8. Margaret E.³ (Dooley) (Simonds) Fernald
9. William³ O'Brien
10. John Joseph³ O'Brien
